Lemon-Aid New and Used Cars and Trucks 1990-2013 Phil Edmonston 2013-11-18 Lemon-Aid New and Used Cars and Trucks 1990-2015 steers the confused and anxious buyer through the purchase of new and used vehicles unlike any other car-and-truck book on the market. "Dr. Phil," Canada's best-known automotive expert for more than 42 years, pulls no punches.

Honda Civic (12-15) & CR-V (12-16) Haynes Publishing 2018-05-01 Each Haynes manual provides specific and detailed instructions for performing everything from basic maintenance and troubleshooting to a complete overhaul of the machine, in this case the Honda Civic (model years 2012-15) and CR-V (model years 2012-16). Do-it-yourselfers will find this service and repair manual more comprehensive than the factory manual, making it an indispensable part of their tool box. A typical Haynes manual covers: general information; troubleshooting; lubrication and routine maintenance; engine top end; engine lower end; primary drive, clutch and external shift mechanism; transmission and internal shift mechanism; engine management system; electrical system; wheels, tires and drivebelt; front suspension and steering; rear suspension; brakes; body, and color wiring diagrams. An index makes the manual easy to navigate.

Die Trabi-Story Matthias Röcke 2004 Es wundert schon längst niemanden mehr: Auch 13 Jahre nachdem der letzte Trabant, ein Viertakter Typ I.I, in Zwickau von Band gelaufen ist, zeigt sich die Position des Trabi in Liebhaberkreisen unangetastet. Der "Volkswagen der DDR" wurde zum Kultauto wie im Westen der VW Käfer oder in Frankreich die berühmte "Ente". Der Trabant ist ein Stück DDR-Alltag, er spiegelt Improvisation und Mangelwirtschaft und ab den späten 60er Jahren technische Rückständigkeit wider. Dabei fusst er auf alter Automobiltradition, war bei seiner Premiere topmodern und beeindruckte bis zum letzten Fahrzeug mit legendärer Strapazierfähigkeit. In zweiter, durchgesehener Auflage beschreibt dieses Buch Vergangenheit und Gegenwart des Trabant in all seinen Erscheinungsformen, einschließlich seiner Rolle als Fanobjekt. Die Geschichte des Trabi ist bunt schillernd, spannend, nicht ohne Tragik und rundum hoch interessant. Das Buch gibt alle Antworten zum Thema Trabant. Illustriert ist das Werk mit zahlreichen Archivfotos und zeitgenössischen Bildern - vom ersten Prototyp bis zum aufgemotzten Trabi beim Clubtreffen 2003.

Lemon-Aid Used Cars and Trucks 2012-2013 Phil Edmonston 2012-05-19 A guide to buying a used car or minivan features information on the strengths and weaknesses of each model, a safety summary, recalls, warranties, and service tips.

Der grosse Borgward, P 100 1993

Lemon-Aid New Cars and Trucks 2013 Phil Edmonston 2012-12-01 Canada's automotive "Dr. Phil" says there's never been a better time to buy a new car or truck. For deals on wheels, 2013 will be a "perfect storm." There's never been a better time to buy a new car or truck, thanks to a stronger Canadian dollar, a worldwide recession driving prices downward, and a more competitive Japanese auto industry that's still reeling from a series of natural disasters. In addition to lower prices and more choices, 2013 car buyers will see more generous cash rebates, low financing rates, bargain leases, and free auto maintenance programs. Buy, sell, or hold? Which cars and trucks are "wallet-friendly" and can easily last 15 years? Which vehicles offer the most features to best accommodate senior drivers? Do ethanol and hybrid fuel-saving claims have more in common with Harry Potter than the Society of Automotive Engineers? Is GM's 2013 Volt electric car destined to become an electric Edsel? These questions and more are answered in this informative guide.

Lemon-Aid Used Cars and Trucks 2011-2013 Phil Edmonston 2011-04-25 As Toyota skids into an ocean of problems and uncertainty continues in the U.S. automotive industry, Lemon-Aid Used Cars and Trucks 2011/2012 shows buyers how to pick the cheapest and most reliable vehicles from the past 30 years. Lemon-Aid guides are unlike any other car and truck books on the market. Phil Edmonston, Canada's automotive Dr. Phil for 40 years, pulls no punches. Like five books in one, Lemon-Aid Used Cars and Trucks is an exposé of car scams and gas consumption lies; a do-it-yourself service manual; an independent guide that covers beaters, lemons, and collectibles; an archive of secret service bulletins granting free repairs; and a legal primer that even lawyers can't beat! Phil delivers the goods on free fixes for Chrysler, Ford, and GM engine, transmission, brake, and paint defects; lets you know about Corvette and Mustang tops that fly off; gives the lowdown on Honda, Hyundai, and Toyota engines and transmissions; and provides the latest information on computer module glitches.

Auto-Klassiker Quentin Willson 2007

Lemon-Aid Used Cars and Trucks 2012-2013 Phil Edmonston 2012-05-19 Lemon-Aid guides steer the confused and anxious buyer through the economic meltdown unlike any other car-and-truck books on the market. U.S. automakers are suddenly awash in profits, and South Koreans and Europeans have gained market shares, while Honda, Nissan, and Toyota have curtailed production following the 2011 tsunami in Japan. Shortages of Japanese new cars and supplier disruptions will likely push used car prices through the roof well into 2012, so what should a savvy buyer do? The all-new Lemon-Aid Used Cars and Trucks 2012-2013 has the answers, including: More vehicles rated, with some redesigned models that don't perform as well as previous iterations downrated. More roof crash-worthiness ratings along with an expanded cross-border shopping guide. A revised summary of safety- and performance-related defects that are likely to affect rated models. More helpful websites listed in the appendix as well as an updated list of the best and worst "beaters" on the market. More "secret" warranties taken from automaker internal service bulletins and memos than ever.
