Arktischer Sommer Damon Galgut 2014-12-08 Damon Galgut folgt dem britischen Autor E.M. Forster vom pruden England der Jahrhundertwende ins sinnliche Indien und zur Entstehung eines Meisterwerks. Im Oktober 1912 nähert sich die SS City of Birmingham Indien. An Bord ist auch der 33-jährige Edward Morgan Forster, Autor von vier Romanen, die ihm in seiner Heimat bereits einigen Ruhm eingetragen haben. Nun ist er, beflügelt vom Erfolg seines jüngsten Werks »Wiedersehen in Howards End«, zu einer Reise ins Unbekannte aufgebrochen. Fern der Enge der englischen Kleinstadt Weybridge in Surrey zeichnet sich das Versprechen einer außergewöhnlichen Zukunft am Horizont ab. Und tatsächlich findet Forster - von der Sinnlichkeit Indiens gleichermaßen angelockt wie verstört - hier den Keim für einen großen Roman: ein diffuses erotisches Begehren und das Gefühl dräuenden Unheils unter einem gleißenden, leeren Himmel. Zwölf Jahre und zahllose innere Kämpfe werden diesem hoffnungsvollen Aufbruch folgen, bis daraus schließlich Forsters Meisterwerk »Auf der Suche nach Indien« entsteht.

Forster's last novel A Passage to India has been widely appreciated as his most brilliant, most successful, and most valuable work of art. It has received a high reputation as one of the greatest, but also "most puzzling," (Allen, 934) modern masterpieces ever written. After its publication in 1924 "it was accorded instant recognition, as a fine novel and as a perceptive and sympathetic treatment of the problem of 'Anglo-India'" (White, 641). In the novel Forster examines racial tensions between the British colonizers and the Indian people at the time of the British Raj and also the philosophical question about the nature of human relationships in general. Despite its great acclaim, it has also been highly criticized and its release gave rise to a political controversy about British imperialism because it was perceived as a clear offensive against the British imperialists. Some literary critics doubt the novel's credibility since it allegedly depicts British officials behaving too cruelly and the relations between British and Indians as unrealistic (Macaulay, 188). Although most criticism focused on its political assumptions, and Forster himself intended to express his scepticism about British imperialism in India and its destroying impact on human personal relationships, it was not predominantly intended to be a political novel. However, "as a political novel it has had a notable success" (Rutherford, 2). Forster's central purpose i

companion Mrs. Moore arrive in the Indian town of Chandrapore, they quickly feel trapped by its insular and prejudiced 'Anglo-Indian' community. Determined to escape the parochial English enclave and explore the 'real India,' they seek the guidance of the charming and mercurial Dr Aziz, a cultivated Indian Muslim. But a mysterious incident occurs while they are exploring the Marabar caves with Aziz, and the well-respected doctor soon finds himself at the centre of a scandal that rouses violent passions among both the British and their Indian subjects. A masterly portrait of a society in the grip of imperialism, *A Passage to India* compellingly depicts the fate of individuals caught between the great political and cultural conflicts of the modern world. The Structure of E. M. Forster's "A Passage to India" Wolfgang B Rkle 2007-09-27 Seminar paper from the year 2005 in the subject English Language and Literature Studies - Literature, grade: 2,7, Johannes Gutenberg University Mainz, 14 entries in the bibliography, language: English, comment: Double spaced, abstract: E.M. Forster published his novel A Passage to India in 1924, after he visited India beforehand in 1912 and in 1921. The novel deals in large parts with the political occupation of India by the British army and the concluding relations between the English and the native population. It is also about the friendship between the two main characters, Cyril Fielding and Dr. Aziz, with all its obstacles. A Passage to India wants to describe the differences between the Eastern and Western culture and how they might find together. This seminar paper discusses the relevant parts of the structure of this novel, which help Forster to create the gap between the cultures and the struggle of them getting together. These structural means are the use of a tripartite structure, specific locations and motifs in the novel.
