**Church History Study Guide, Pt. 3 Randal S. Chase 2012-05-31** Church History Study Guide, Pt. 3: Latter-Day Prophets Since 1844. This volume is the third of three on Church History and the Doctrine and Covenants. It covers Church history during the administration of all of its Prophet-Prophets since Joseph Smith. It begins with the succession of the Apostles after Joseph Smith's martyrdom, the building of the Nauvoo Temple, and the trek to the west of the Latter-day Saint pioneers. We follow them through Iowa, Winter Quarters, and on to Utah. We witness the colonization of the state of Deseret, while the rest of the country suffered from Civil War. Then we follow events through the administrations of all of the 19th-Century, 20th-Century, and 21st-Century prophets from John Taylor to Thomas S. Monson. We become familiar with the early lives, missions, marriages, and callings of each of these prophets, seeing how the Lord prepared them for the particular time that they led the Church. We finish with a look toward the future as we await the Second Coming of our Lord. The cover features a beautiful photograph of the Salt Lake Temple, taken at dusk during the Christmas season from the roof of the Joseph Smith Memorial Building.

**Old Testament Study Guide, Pt. 2 Randal S. Chase 2010-12-01** Old Testament Study Guide, Pt. 2: Deuteronomy to Solomon. This volume is the second of three on the Old Testament. It covers the Bible from the Book of Deuteronomy to the reign of King Solomon. We read Moses' counsel to his people during the final days before his translation. We follow the children of Israel into the Promised Land under the leadership of Joshua, beginning at Jericho and ending with the total conquering of all the lands promised to Abraham. We are introduced to the Judge-Heroes, including but not limited to Gideon, Deborah, and Samson. We read of the rise of the prophet Samuel and reigns of Saul, David, and Solomon. We thrill at the faith and gifts of David and mourn over his fall from grace. We are inspired by the wisdom of Solomon and the beauty of the House of Lord He built at Jerusalem, but are saddened by his idolatry in his old age. Along the way, we become familiar with the ministries and teachings of Elijah, and Elisha, and the courage and faith of Job. The cover features an extremely rare photograph of the rock (es-Sakhara) inside the Dome of the Rock, which at one time stood inside the Holy of Holies of Solomon's temple.

*Progressive Minds, Conservative Politics Aryeh Tepper 2013-12-01 Compelling account of Strauss's mature Maimonidean writings. Leo Strauss (1899-1973), one of the preeminent political philosophers of the twentieth century, was an astute interpreter of Maimonides's medieval masterpiece, *The Guide of the Perplexed*. In *Progressive Minds, Conservative Politics*, Aryeh Tepper overturns the conventional view of Strauss's interpretation and of Strauss's own mature thought. According to the scholarly consensus, Strauss traced the well-known contradictions in the *Guide* to the fundamental tension in Maimonides's mind between reason and revelation, going so far as to suggest that while the Jewish philosopher's overt position was religiously pious (i.e., on the side of "Jerusalem"), secretly he was on the side of reason, or "Athens." In Tepper's analysis, Strauss's judgments emerge as much more complex than this and also more open to revision. In his later writings, Tepper shows, Strauss pointed to contradictions in Maimonides's thought not only between but also within both "Jerusalem" and "Athens." Moreover, Strauss identified, and identified himself with, an esoteric Maimonidean teaching on progress: progress within the Bible, beyond the Bible, and even beyond the rabbinic sages. Politically a conservative thinker, Strauss, like Maimonides, located man's deepest satisfaction in progressing in the discernment of the truth. In the fullness of his career, Strauss thus pointed to a third way beyond the modern alternatives of conservatism and progressivism*
