He appears this way because he lives by biblical teachings and principles. If we choose to do the honorable thing if we choose to live by the Word of God then the honor of God will hold us up. He has promised us that He will honor us when we honor Him." Kenneth Copeland. Honor Today, almost an entire generation has never experienced God's honor and presence. Now we live in a dishonorable society because the concept of honor is not being passed on from parent to child. Many parents don't even know what it means to be honorable. What Does Honor Mean? This powerful and scriptural look at the biblical definition of honor will challenge you to live the honorable life and demonstrate that God has provided a way to live and succeed the honorable way.

Ceremony of Marriage Kenneth Copeland 2012-05-01 "The marriage union is the closest relationship that can exist between two human beings. When a man and woman decide to join together in marriage, they should do so with full realization of their responsibilities. Marriage is serious business. When two born-again believers know it is God's will for them to marry, they come together before God, a minister and witnesses to join their hearts and lives. They make a public profession of their mutual love and devotion, pronouncing vows and pledging their lives to each other. As they pronounce the marriage vows in faith, the power of God goes into operation and a miracle takes place. They are united by God and become as one in His sight. Their union is threefold: They are joined together spiritually by God, legally by the contract they enter into and physically, when the marriage is consummated. A husband and wife are joined together as Jesus is joined to the Church. It is a miraculous union. This booklet contains the wedding ceremony that I use as a minister of God. It is based totally and completely on the Word of God. As you use this ceremony, I add my faith to yours in believing God for lives of love and harmony for the couples you minister to, in Jesus' name." Kenneth Copeland
