Racecraft Karen Fields 2012-10-15 Tackling the myth of a post-racial society. Most people assume that racism grows from a perception of human difference: the fact of race gives rise to the practice of racism. Sociologist Karen E. Fields and historian Barbara J. Fields argue otherwise: the practice of racism produces the illusion of race, through what they call "racecraft." And this phenomenon is intimately entwined with other forms of inequality in American life. So pervasive are the devices of racecraft in American history, economic doctrine, politics, and everyday thinking that the presence of racecraft itself goes unnoticed. That the promised post-racial age has not dawned, the authors argue, reflects the failure of Americans to develop a legitimate language for thinking about and discussing inequality. That failure should worry everyone who cares about democratic institutions.

The Doctors Book of Home Remedies Editors of Prevention 2010-03-02 A revised edition of a classic health reference shares up-to-date advice on a variety of everyday ailments from allergies and colds to insomnia and jet lag, recommending corresponding home treatments for conditions that do not require hands-on professional care. Season of Blessing Beverly LaHaye 2009-12-15 The fourth and final novel about the trials and joys of the residents of Cedar Circle. Sylvia Bryan has been feeling weak and tired, but is shocked when her internist finds a malignant lump in her breast. She and her husband can't understand why God is allowing cancer to attack at a time when their missionary work is going so well. As Sylvia undergoes a mastectomy and chemotherapy, the rest of the neighbors pull together to support her, even while coping with the stress of their own lives. Steve and Cathy experience problems with their blended family. Tory and Barry struggle to raise their Down Syndrome child. Brenda's husband, David, who is not a believer, watches from the sidelines. Season of Blessing realistically portrays the all-too-common crises of both health and faith. How will God answer prayer? What will this latest trial do to their

friendships? Terri Blackstock and Beverly LaHaye skillfully weave together the story of the lives of a group of neighbors who experience the overcoming power of Christ's love.

Entre Guadalupe y Malinche Inés Hernández-Ávila 2016-02-23 Mexican and Mexican American women have written about Texas and their lives in the state since colonial times.

Edited by fellow Tejanas Inés Hernández-Ávila and Norma Elia Cantú, *Entre Guadalupe y Malinche* gathers, for the first time, a representative body of work about the lives and experiences of women who identify as Tejanas in both the literary and visual arts. The writings of more than fifty authors and the artwork of eight artists manifest the nuanced complexity of what it means to be Tejana and how this identity offers alternative perspectives to contemporary notions of Chicana identity, community, and culture. Considering Texas-Mexican women and their identity formations, subjectivities, and location on the longest border between Mexico and any of the southwestern states acknowledges the profound influence that land and history have on a people and a community, and how

Tejana creative traditions have been shaped by historical, geographical, cultural, linguistic, social, and political forces. This representation of Tejana arts and letters brings together the work of rising stars along with well-known figures such as writers Gloria Anzaldúa, Emma Pérez, Alicia Gaspar de Alba, Carmen Tafolla, and Pat Mora, and artists such as Carmen Lomas Garza, Kathy Vargas, Santa Barraza, and more. The collection attests to the rooted presence of the original indigenous peoples of the land now known as Tejas, as well as a strong Chicana/Mexicana feminism that has its precursors in Tejana history itself.

Feminist Interrogations of Women's Head Hair Sigal Barak-Brandes 2018-06-13 Feminist scholarship has looked extensively at the perception of the body as a flexible construction of cultural and social dictates, but head hair has been often overlooked. *Feminist Interrogations of Women's Head Hair* brings new focus to this underrepresented topic through its intersections with contemporary socio-cultural contexts. Scholars from a wide range of disciplines investigate private and public meanings associated with female head hair, problematising our assumptions about its role and implications in the 21st Century. Readers are invited to reflect on the use of hair in popular culture, such as children's television and pop album artwork, as well as in work by women artists. Studies examine the lived experiences of women from a range of backgrounds and histories, including curly-haired women in Israel, African American women, and lesbians in France. Other essays interrogate the connotations of women's head hair in relation to body image, religion, and aging. *Feminist Interrogations of Women's Head Hair* brings together cultural discourses and the lived experiences of women, across time and place, to reveal the complex and ever-evolving significance of hair. It is an important contribution to the critical feminist thought in cultural studies, fashion studies, media studies, African American studies, queer theory, gerontology, psychology, and sociology.

Jamilah at the End of the World Mary-Lou Zeitoun 2021-08-03 Set against the backdrop of a brutal Toronto summer heatwave, seventeen-year-old Jamilah Monsour makes plans for what she's certain is the beginning of the climate change catastrophe that will end the

world. Luckily, Jamilah knows what has to be done to save her family: transform the back alley garage into a bunker. Reluctantly her parents allow the bunker, but they draw the line when she announces she's going to skip university and instead use the money they had saved for her education to buy solar panels and a generator. When an electricity blackout strikes, Jamilah's climate change anxiety kicks into high gear and she ends up staying out all night, infuriating her Palestinian-born conservative father who is done with all this doomsday nonsense. Tension at home erupts and Jamilah runs away and joins a climate change protest where she learns about solidarity and agency, giving her hope for the future. When she returns home, her parents see just how deep Jamilah's climate change convictions run and the family discusses her attending university to study environmental science, a plan they can all agree on. But Jamilah still plans on buying a generator, just in case.

CHAMPION GUIDES Karen Kellock 2022-08-18 A new theory in psychology with a formula: all disease obstruction, all recovery elimination, all success attraction. The three obstructions are explained in detail: people, habit and food. What messed us up? The influence of other people. With trauma we swallow them whole/mimic evil. What is the Dunning-Kruger? It's the dumb thinking they're smart--most dangerous for sure. We mal-adapt by taking on another part but through elimination we get a fresh start.

The ABC's of Never Having Another Bad Hair Day! Jeri Roraback 2005 Packed with profound insights, humorous stories and tough lessons that every hairstylist and every person who has ever sat in a styling chair needs to read.

The Bald, Beautiful and Brave Rosanna McKenzie Harris 2011-11-09 Born August 14, 1949 to Benjamin and Louise McKenzie. She is the third of five siblings. She has worked as a practical nurse for more than 37 years in the Miami area. She has been an inspiration to many around her and in the community. She is a dedicated Christian and desires one day to open a facility for homeless girls and boys and unwed mothers. Mrs. Harris believes this is just the beginning of how God will use her as an instrument to do extraordinary measures for the ordinary, to bring out the gifts and talents they possess. Known as Mrs. Harris to some and Grandma to many, says thank you for reading her book and be encouraged in finding your destiny. It's never about how old or young you are, it's not about the way you look or even your education. It's about a desire and reaching to the sky, going the distance for your destiny. Rosanna McKenzie Harris

Girls Write Now: Two Decades of True Stories from Young Female Voices 2018-10-16 Teenage girls tell their most urgent stories, punctuated by inspiration and advice from Zadie Smith, Roxane Gay, Chimamanda Ngozi Adichie, Gloria Steinem, Alice Walker, and more of today's great writers. "Important work . . . A beautiful example of what happens when you let girls write and share it with the world." —Samhita Mukhopadhyay, *Teen Vogue* *Girls Write Now: Two Decades of True Stories from Young Female Voices* offers a brave and timely portrait of teenage-girl life in the United States over the past twenty years. They're working part-time jobs to make ends meet, deciding to wear a hijab to school, sharing a first kiss, coming out to their parents, confronting violence and bullying, and immigrating to a new country while holding onto their heritage. Through it all, these young writers tackle issues of race, gender, poverty, sex, education, politics, family, and friendship. Together their narratives capture indelible snapshots of the past and lay bare hopes, insecurities, and wisdom for the future. *Interwoven* is advice from great women writers—Roxane Gay, Francine Prose, Chimamanda Ngozi Adichie, Zadie Smith, Quiara Alegria Hudes, Janet Mock, Gloria Steinem, Lena Dunham, Mia Alvar, and Alice Walker—offering guidance to a young reader about where she's been and where she might go. Inspiring and informative, *Girls Write Now* belongs in every school, library and home, adding much-needed and long-overdue perspectives on what it is to be young in America.

In His Grip ... a Walk Through Breast Cancer Amy K. Hauser 2012-09-12 Amy's story is a most inspiring one to read for anyone going through life's struggles - one that will give encouragement whatever one may be dealing with. First and foremost, this is an account of a cancer journey; a journal revealing an absolute faith that God is willing to walk the journey alongside of you, all the way! If you are reading this and you are someone setting out on, or already in the middle of, a similar journey, this is an important read for you! Amy's story will certainly not hide any of the rough times; but it will tell you about many positive aspects as well, and how faith is the only way to make the trip. This book is not just for cancer sufferers, but also for anyone experiencing life's many trials, whatever they may be. Amy

raw and emotive style tells it just like it is. You will feel the emotion; shed some tears and certainly draw many smiles. There is little more powerful than hearing this story told literally, while experiencing each and every aspect of the journey along with her. The power is in hearing God's story, as told through Amy, and that's just what this is. You will be encouraged that it's okay to have roller coaster emotions, to feel anger, to experience joy, to feel spiritually low and equally high; that it's okay to ask why me? Amy is one amazing lady who turned what could have been a very negative experience - focusing on feeling sorry for herself - to one that focuses on making an impact on others. For example - Amy refused to wear a wig once she lost her hair so she would not miss opportunities to testify to others who would otherwise not have approached her. Perhaps most compelling is how many people have told Amy that while they should have been supporting her in keeping a positive attitude, she was in fact being the inspiration for them. I know! I was one of those people! I pray for them every day and I know that they do the same for me. It is this, together with God, that will keep us all positive and moving forward, whatever the challenges of life that are thrown our way.

Ambiguous Locks Roberta Milliken 2014-01-10 It has long been said that a woman's hair is her crowning glory. Indeed, throughout history, hair has remained an important cultural symbol of femininity. In medieval art, iconic images of long, flowing locks can express sexuality, and the cutting of a woman's hair often signals her feminine misbehavior. Artists of all kinds in the Middle Ages used women's long hair to manipulate their audience's estimation of their female figures. This interdisciplinary work explores the significance of women's hair in literature and art from the medieval period through 1525, putting into historical context the ways in which hair participates in construction of the female identity.

Show Up for Your Life Chrystal Evans Hurst 2019-02-05 What does the woman you'll be tomorrow want you to know today? *Show Up for Your Life* by gifted writer, speaker, and worship leader Chrystal Evans Hurst will help young women ages 13 and up stop worrying about the small stuff and start embracing who they are in God's eyes. Inside *Show Up for Your Life*, readers will love: Chrystal's conversational tone, honesty, and humble wisdom The interactive sections at the end of each chapter that summarize what you should remember, pose questions to encourage reflection, provide a responsive activity to do individually, and provide Scripture verses to guide growth

Hair Power, Skin Revolution Nicole Moore 2010 *Hair Power - Skin Revolution* is a collection of poetry and personal essays from a diverse group of black and mixed-race women - everyday women expressing themselves in their own unique style. The collection includes contributions from forty-eight authors, that explore the issues, interests, cultural and historical influences that have shaped their times and their imaginations. The writers offer empowering and creative ways of understanding and relating to the themes of hair and skin.

They tell their narratives, presenting their views in passionate, intelligent, humorous, strong and reflective voices, some unheard; some previously published in the former two Shangwe anthologies. This third Shangwe anthology, by nature of its cultural diversity components successfully contributes towards representing and promoting the writing of women from African and African-Caribbean backgrounds. As well as being a contribution towards Black British literature, this anthology celebrates, reflects upon and embraces our diverse female identities and the common-thread that unites us living the UK experience.

Invisible Michele Lent Hirsch 2018 "Author Michele Lent Hirsch knew she couldn't be the only woman who's faced serious health issues at a young age, as well as the resulting effects on her career, her relationships, and her sense of self. What she found while researching *Invisible* was a surprisingly large and overlooked population with important stories to tell. Though young women with serious illness tend to be seen as outliers, young female patients are in fact the primary demographic for many illnesses. They are also one of the most ignored groups in our medical system--a system where young women, especially women of color and trans women, are invisible." -- Publisher's description

Transforming From Christianity to Islam Janet Testerman 2014-06-19 Why would a Western woman who is free to dress and behave as she pleases convert to a religion immersed in a culture that requires her to cover her hair, dress modestly and reassess her fundamental beliefs? These are personal accounts of eight Western women who radically changed their lives by converting to Islam or marrying a Muslim man. Some women assigned deep meaning to the headscarf, while others found dressing hijab to be freeing. In every case, however, peer pressure, social pressure and male pressure bore profoundly on their decisions, perhaps overpowering their ability to practice hijab purely from their hearts. Again, the dichotomy between voluntary, genuine devotion and conforming behavior influenced on the women's actions and thoughts.

Rapunzel's Daughters Rose Weitz 2005-01-12 The first book to explore the role of hair in women's lives and what it reveals about their identities, intimate relationships, and work lives *Hair* is one of the first things other people notice about us--and is one of the primary ways we declare our identity to others. Both in our personal relationships and in relationships with the larger world, hair sends an immediate signal that conveys messages about our gender, age, social class, and more. In *Rapunzel's Daughters*, Rose Weitz first surveys the history of women's hair, from the covered hair of the Middle Ages to the two-foot-high, wildly ornamented styles of pre-Revolutionary France to the purple dyes worn by

some modern teens. In the remainder of the book, Weitz, a prominent sociologist, explores--through interviews with dozens of girls and women across the country--what hair means today, both to young girls and to women; what part it plays in adolescent (and adult) struggles with identity; how it can create conflicts in the workplace; and how women face the changes in their hair that illness and aging can bring. *Rapunzel's Daughters* is a work of deep scholarship as well as an eye-opening and personal look at a surprisingly complex-and fascinating-subject.

Tangled Thoughts Emeline Rodway 2019-07-25 These poems, in free verse and fixed forms, span a variety of topics from poetry itself and the writing process to philosophy, psychology, feminism, social justice and the questions of legacy. Most of the poems have been written in the last ten years and reflect the poet's tangled thoughts and observations about life, the natural world, and her search for meaning through metaphor, meter, and insight.

Why Not Me? Oh God Why Me? Sue Teall 2007-07 "Teall offers insight into the spirit and power of God as she meets him in the faces and circumstances along her walk in the valley. Teall shares poignant observations into a bleeding, broken world reminding me that I am commanded by Christ to help those in need."-Tom O'Neil, Crosswise Ministries, Founder. *Why Not Me? Oh God Why Me?*-a reflection of the personal journey of Sue Teall during her battle with breast cancer. Teall's snap-shot vignettes reveal her thoughts, observations, and challenges, offering insights into: God's tapestries of life the power of prayer the beauty of second chances the unfairness of life vanity and envy loneliness and anxiety laughter and childhood innocence joy amid the struggles evil and imprisonment forgiving hearts obedience and self-doubt fear in the dark hope in the light the peace that can only come from God "I laughed; I cried. Never have I felt closer to God. Her journey reached into my soul and instilled courage and comfort, reminding me of God's everlasting presence."-Maria Rader, breast cancer patient. "Teall writes with energy and enthusiasm, speaking effectively and engrossingly to any person facing any challenge in life. Cancer provides her plotline, but the revelation is in her reaction to it."-Ted Cooper, Founder of The Bible in 90 Days.

Principles of Marketing Philip Kotler 2008 The goal of *Principles of Marketing, Fifth Edition*, is to introduce people to the fascinating world of modern marketing in an innovative, practical and enjoyable way. Like any good marketer, we're out to create more value for you, our customer. We have perused every page, table, figure, fact and example in an effort to make this the best text from which to learn about and teach marketing.
