The Counter Terrorist Manual Leroy Thompson 2009-10-19 In the past thirty-five years, counter-terrorist units have been deployed to deal with airplane, ship, train, and bus hijackings. They have rescued hostages in various types of buildings and have dealt with barricaded bank robbers, prison rioters, and assorted dangerous criminals. Thousands have been rescued and millions have been safer because terrorists were aware that elite antiterrorist units were poised to take action should they take hostages. Following the September 11th attack on the World Trade Centre, the mission of many anti-terrorist units has expanded. Some units now track terrorists to their lairs in other countries and strike them there. Despite the significant and growing role of these units, little is known about the way they operate. The selection, training, structure and principles of maintaining such units, together with basic theories of asymmetric warfare are the subject of Thompson's latest work. In a practical, step-by-step guide he analyses the necessary organization of such elite teams, the arming and equipping of units, and methods for a variety of missions from hostage rescue and high-level dignitary protection to securing foreign embassies and counter-WMD strikes. Open the pages of this book and enter the world of the counter-terrorist operator.

FMA Grandmasters and Masters Bram Frank 2015-06-15 This book is about some of the many Masters and Grandmasters of the FMA: Filipino Martial Arts. Some are well known others are relatively obscure, some are famous, others are known only by their skill but they all have in common their love for the Filipino Martial Arts and their connection through training, friendship, heritage or lineage with GM Bram Frank. Some are the heroes of the Philippines and the spirit of Arnis like the late Professor Remy Presas, part of American martial art history with the FMA and JKD like Guro Dan Inosanto or like GM Bram Frank a faithful practitioner and instructor of the arts. Their stories are told in pictures and with a bio of who they are and what they've done! Regardless of gender these people give their lives, souls and energy to the Filipino Martial Arts. This is the first in a series of volumes of these wonderful people! This is the first book written by a non-Filipino with a forward by a Filipino President: President Benigno Aquino III. Mabuhay
